

# Quick Reference Card

## How To Change Trucks, Trailers and Shipping Docs

### Overview

Using the BigRoad Mobile App, drivers can change Trucks and Update their Trailer and Shipping Document information

### Change Trucks

If Drivers need to operate more than one vehicle throughout their shift, they are able to connect to multiple vehicles via the BigRoad Mobile App using the **Switch Truck** feature.

1. In the BigRoad Mobile app, tap the **More** button from the Navigation Bar at the bottom of the Dashboard screen

2. From the *Pick a Truck* screen, select another truck from the available list of Trucks, or
3. Use the **Search** bar on the top of the screen to connect to a new Truck

### Update Trailer & Shipping Documents

Drivers can update their Trailer and Shipping Information before the start of their shift every day, using the BigRoad mobile App

1. Log in to the BigRoad Mobile App
2. Tap the **More** button from the Navigation Bar at the bottom of the Dashboard screen
3. Tap **Update Trailer and Shipping Info**

4. In the **Trailer** field, enter the Trailer number, as necessary
5. In the **Shipping Doc** field, enter the Shipping Document information, as necessary
6. Tap the **Done** button to save the changes
